

# Loop 1 / Dolen Machno Trail Diversion - Fallen Trees

There is a diversion on Loop 1 /Dolen Machno around Craig Wen due to multiple fallen trees & a 'go-slow' section on Tyddun Du due trail damage.

Loop 2 / Dolen Eryri is currently closed as there are around 30 trees down on a number of sections making them unrideable.

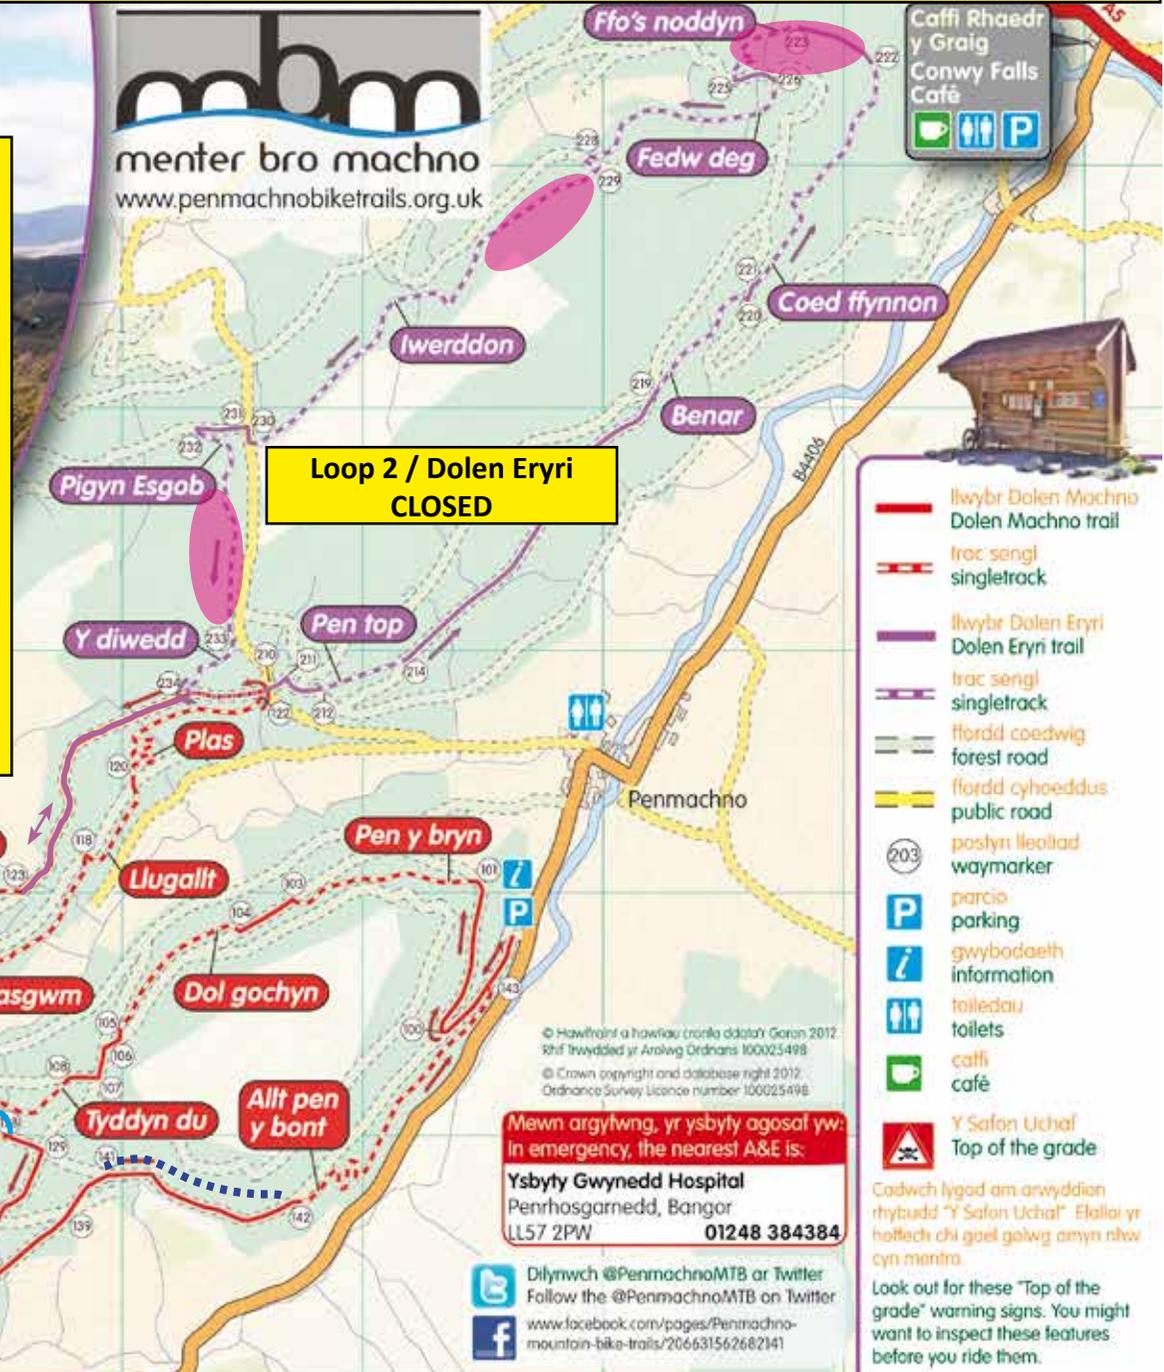

Please follow the diversion - it's are in place because the trees are unpassable.

We are getting the trail cleared ASAP and will post updates on our Facebook page

Thanks,

The Trail Team
